

BLOODHOUND SUPERSONIC CAR EDUCATIONAL SHOWCASE COMES TO CANADA

The BLOODHOUND SSC Project is a global Engineering Adventure, using a 1000 mph World Land Speed Record attempt to inspire the next generation about science, technology, engineering and mathematics.

It is a unique, high-technology project, focusing on the record attempt taking place this summer in the Kalahari desert in South Africa.

A full scale educational model of the BLOODHOUND SSC Car along with a fully interactive display and BLOODHOUND educators will be coming to Toronto as part of a special, one of kind, Canadian visit.

WHERE: MaRS Discovery District, Toronto

WHEN: Thurs 28th, Fri 29th May- 10 a.m. to 5 p.m. & Sat 30th May – 9 a.m. to Noon

COST: Free to attend

See how the project is bringing science, technology, engineering and mathematics to life in the most exciting way possible; through innovation, collaboration and convergence. To ensure dedicated time with a Bloodhound educator, 30 minute time slots can be offered to groups of 10 to 30 people at a time. To request a time slot please send an email to Neal Lilliott at neal.lilliott@mobile.ukti.gov.uk
